Respectfully Dedicated to Father Thomas Garrett

The heart of any school is the classroom and the work that goes on within it. While we know that, who among us fails to feel a bit of relief when the last bell rings, class ends, and the questions and the tests and the assignments are over? How many of us look forward to another year in the classroom.

These thoughts of ordinary people alone would lead us to dedicate this SAINTSMAN, with gratitude and affection, to Father Thomas P. Garrett, of the Order of Saint Augustine. For if ordinary men feel as we feel, Father Garrett is indeed an extraordinary man. He has spent 46 years in classrooms, twelve until he graduated from St. Augustine High School in 1932, nine more until he was ordained an Augustinian priest. And when the Class of 1965 assembles on graduation night, Father Garrett will complete 25 years of teaching in high schools.

Through all these years, Father Garrett has maintained his total dedication to education. Whether teaching in Chicago in a school with thousands of boys, or in a small preparatory boarding school with scarcely a hundred, or at Saints, Father Garrett seldom lets a summer pass without going to school himself—in the West, on the East Coast, in the Midwest. Where there is more to be learned in the field of science, he is there, not for degrees, not for promotion, not for prestige, but for the sake of faces yet unknown, to be met next September.

He is more than a student, more than a teacher. In parishes near and far, his sermons have lifted the weary and confounded the proud. On the military base, his hand has been raised to give absolution to a fighting man. But students see him as a teacher, and knew him to be above all what Shakespeare might have hyphenated: a gentle-man.

To a person who has given soul and body, mind and will, to the education of high school boys, not just "for twenty-five years," but one day, one test paper at a time—to Father Thomas P. Garrett, O.S.A., we dedicate SAINTSMAN, 1965.

Fr. Garrett, O.S.A.

The first thing I noticed when I stepped out of the car was the cold. It was a sharp contrast to the warm blanket of the car's interior. I shivered slightly, pulling my coat tighter around me. The air was crisp and clean, a welcome change from the stuffy atmosphere of the car. I took a deep breath, savoring the fresh air. The sun was shining brightly, casting a warm glow over the scene. The trees were in full leaf, their colors a mix of vibrant greens and yellows. It was a beautiful sight, and I felt a sense of peace wash over me. I closed my eyes for a moment, enjoying the moment. Then, I opened them and saw a small child running towards me. The child was laughing and shouting, their face lit up with joy. I reached out and picked up the child, holding them close. The child's arms were around my neck, and they were looking up at me with a smile. I felt a sense of love and protection for this little person. I kissed their forehead and they hugged me. It was a beautiful moment, and I knew that I would never forget it. I closed my eyes again, then opened them. I saw the child running away from me, their back to me. I called out to them, but they didn't stop. I watched them run until they disappeared into the distance. I felt a sense of loss, but I knew that the child was safe. I took a deep breath and smiled. It was a beautiful day, and I was grateful for every moment of it.

Our Principal Is...

- the hand that blesses us all at the end of the school Mass in the gym.
- a jaw, set just a bit more firmly, when Saints trails at the end of the first quarter.
- a deliberate, slow pace across the patio, perfectly matching the pace of education going on around him.
- a crack in the voice, a flashed smile, a quip, in the midst of the most serious remarks.
- thanks for every achievement, student's or teacher's, prefaced by: "This assembly should not pass without a few words of . . ."
- a voice on the public address system, clear, meaningful, forceful, and very rare.
- a cheerful guardian of the good of all, firm and inflexible towards him who threatens it.
- a black robe, streaked with yellow chalk leaving an honors math class, head shaking in disbelief.
- respect for every last student, as long as that student respects himself—and then a little longer.

CHAPTER 1

The first part of the book discusses the importance of understanding the context of the data. This includes the social, cultural, and historical factors that may influence the results. The second part of the chapter focuses on the methods used to collect and analyze the data. This includes a discussion of the strengths and limitations of different research methods. The third part of the chapter discusses the ethical considerations that must be taken into account when conducting research. This includes a discussion of the rights of participants and the need for informed consent. The final part of the chapter discusses the importance of reporting the results of the research in a clear and concise manner. This includes a discussion of the different formats that can be used to present the data and the importance of using appropriate statistical tests.

Joe Di Tomaso and Joe Galindo, valuable assistants to Coach Doherty.

The Saints began their 64 Varsity Football season with a grim determination to take the Eastern League title and to bring Saints its first C. I. F. Championship. They showed their potential in defeating their non-league opponents and were rated second in the county.

But these victories were highly expensive as the injured list mounted to 13 at one point.

The Saints were hit hard morally when they were

blanked in their league opener. Every league school faced a tough match when they came against the still strong Saints.

Although this year showed the great ability of many of our players, no continuous scoring combination could be found. Though the season was not as successful as expected, the city knows that the Saints can hold their own in the toughest league in the county.

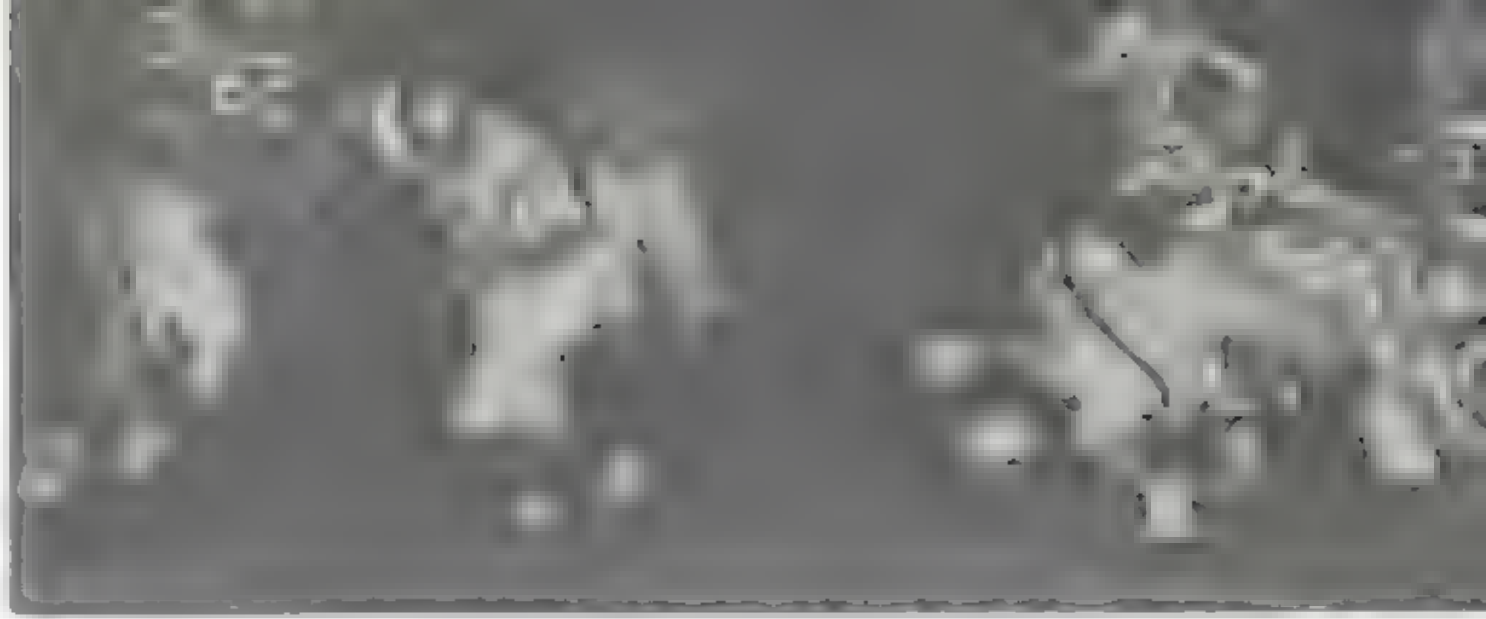

Coach Ed Doherty in his first year at Saints led the team to a winning season.

Vista

The Saints played their opener at Vista against a badly outclassed Panther team. The strong Saints offense was led by Dick Kovalcheck who gained 91 yards in 19 carries for 3 TD's. The even stronger defense, which held Vista scoreless, was also led by Kovalcheck who made the most tackles.

The final score: Saints 30 Vista 0

El Capitan

The Saint's first home game was a rematch against a dangerous El Capitan eleven. The Saints pulled off a fine running game as they rolled up 306 yards in 45 carries, to equal 7 yards a carry. The ground game was highlighted by Marcus Mitchell's 65 yard touchdown run, to yield him a total of 99 yards in 8 trips. He was backed up by the running of Jim Perrucci, Salinas, Rudd, and both Kovalchecks. The passing attack, which yielded 68 yards on 8 connections of 14 throws, was sparked by a 29 yard Segawa to Sullivan toss, and an 8 yard Hauser to Mitchell T.D. completion. In the second half, the referees limbered up their trigger fingers, and began adorning the field with red flags. The 80 yards offensive penalties hampered all the second half drives, and the 30 defensive yards yielded through penalties gave the Vaqueros decisive first downs. But despite this, the Saints' defenders held El Capitan to 6 points.

The next game found the Saints traveling to La Jolla to battle long time rival Pt. Loma. In this harsh, hard hitting encounter the Saints were greatly outsize and outweighed and lost 5 of their starters in the first quarter.

Pete Hauser posed a great rollout threat and ran for 78 yards in 11 carries. A pass from Hauser to tackle Dan Vengler late in the second quarter was the first touchdown of the year scored against Pt. Loma. Another Hauser pass to end Mike Crawford added the extra point. This was also a game of great defenses. The Saints kept the Pointers from crossing the goal line and held them for a total of 12 downs inside the 16 yard line. Among the many standouts in the strong Saints defense were Rick Eagan, Tom Giancino, and Ron Baza.

Oceanside

The final tune-up match saw the Saints go into the game with a long list of injuries. When they came out, the list was longer, but another victory had been chalked up. The offense was sparked by Eleazar Salinas, who rolled up 121 yards in 15 carries, and who set up the team's two first half touchdowns. Kovalcheck's plunge, and Hauser's pass to Weber put the T.D.'s on the board, and Mahedy's kicks made it 14-0. Rubacalva and Rudd also worked hard. The defense, led by Dennis Murphy's ten tackles, and Pirate fumble recovery, held the Northerners to 6 points. Weber, Hauser and Vengler also did a fine job doubling on defense. With this well earned victory, the Saints came out of non-league action undefeated.

Saints' line goes down to cover punt and Kovalcheck scrambles through hole opened by Waldron

Crawford

The first league action saw Saints, sporting a 4-0 record, meet a determined Crawford. Both schools had allowed only 12 points to be scored against them to date, but Crawford had a stronger attack. Midway through the first quarter a Hauser pass was intercepted and run back for a touchdown. The Colts took advantage of two other intercepted passes and set up another two T.D.'s. The Saints were hit hard by 100 yards in penalties, which stopped every drive they could muster. Mike Weber gained 66 yards for the Saints but could not cross the goal line. The defense could not stop the bombardment of Colt passes and was forced to steadily give up yardage. The final gun sounded with the score 18-0.

Weber eludes Colt

Hoover

Following the crushing defeat, the Saintsmen went back to Balboa Stadium to meet arch rival Hoover High. The game proved to be a thrilling defensive battle, as Hoover held the Saints ground attack to 100 yards in 38 carries. The Cards completely stymied Mitchell and Rudd, and held Hauser to 24 yards in 8 tries, and Kovalcheck to 63 yards in 17 trips. But this along with Hauser's 5 completions of 10 passes for 31 yards, proved enough as the team etched out 6 points by Kovalcheck, for victory. Joe Mendoza's punts saved the Saints, as he put Hoover deep into their own territory seven times, averaging 40 yards a punt. Fine defensive play like that of Drew Tricoli, Dan O'Neil and Albert Sullivan kept the Cardinals there, and held them scoreless. So, fine defense, superb kicking, and clutch offense, gave St. Augustine a league victory.

Referee signals Saints' league victory

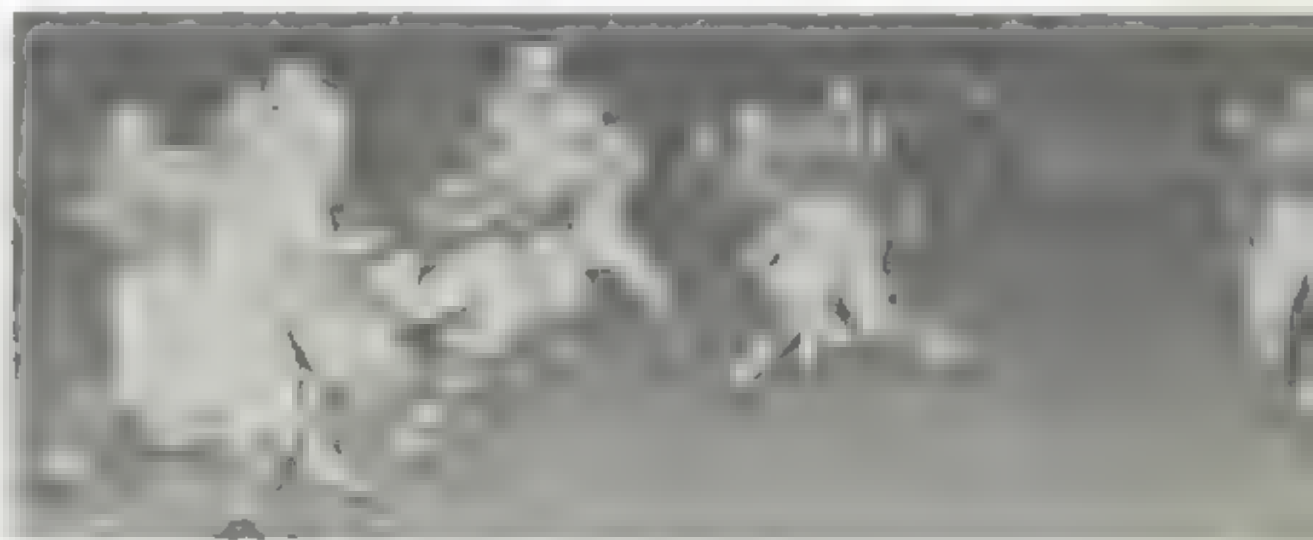

Historic moment: Tom Mahedy kicks field goal against Morse

The St. Augustine-Morse game saw a good example of fired-up Saints as they scored 15 points in 5 minutes of the first half. Marcus Mitchell was at his best as he pined up 102 yards in 15 carries and a great Saints defense led by Dan Vengler and Mike Perucci kept the Tigers at bay. But late again frowned on the Saints as Morse scored after a Mendoza tumble on the 3 yard line. Morse also scored on a double reverse, an intercepted pass runback and a kickoff return. Final score Saints 21 Morse 27.

The Saints on the move in Homecoming game.

Morse, San Diego, Lincoln

The homecoming game pitted Saints against a league leading San Diego. The first half defense led by Vengler, Garcia, and Sullivan played heads up ball and recovered their own punt on the six yard line. Kovalcheck went in for another TD. In the fourth quarter, a superior San Diego surpassed the Saints in ability, though not in spirit, and scored thrice to win 18-6.

The final game saw Saints clash with Lincoln in a must game for the Hornets. The statistics proved that Saints outplayed and outplayed Lincoln as Dick Kovalcheck rolled up 118 yards but failed to tally. A strong defense led by Bristos, DeCarlo and Mix kept Lincoln to two first downs in the first half and seven in the entire game. Lincoln scored on two plays: a 51 yard end run and a 69 yard pass to outscore Saints 13-0. Thus, on a cold Fall night, the Saints of 64 walked off the field in defeat but not in shame.

JV League Champs

Saintsmen limber up before Lincoln game.

The Junior Varsity once again overpowered the Eastern League with clutch offensive play and a defense that didn't yield a single point in league competition. The sophs and juniors got off to a shaky start winning only one of their first three encounters. From that point on, however, the Saints began rolling and could not be denied the Eastern League championship for a second straight year.

A highly-efficient offense rolled up 90 points on the season behind the three-way quarterbacking of George Segawa, Tom Powers, and Pete Doherty, the running of Reno Pontaneres and Bernardo Jaime, and the blocking of Tom Spence, Jim Ast, and Ron Morones.

The defense allowed a mere 13 points for 9 games. Defensive standouts included such linemen as Sal Dalfio, Ernie Lopez and Mike Cobb, and such backs as Ken Christopher, Alex Rojas and Rusty Davis.

Due to the fine coaching of Bill Whittaker and newcomer Stan Davies, Saints has another title to be proud of and some fine Varsity prospects.

Under new coach Jerry Halsey, the extremely
small Cross Country team produced two of the
finest runners in the county. Senior John Lewis, in
his first year out, had a 10:04 time on the Muni
Course, and won six of seven meets. He was in-
jured before the finals however, and was unable
to run. Tom Ecklund, a junior with a 10:11, rep-
resented the school well in the League and county
finals. Joe Shields was also a great asset to the
team. Despite these three fine runners, the small
team and lack of depth accounted for the poor
team record, with the team bowing to everyone
except of course, University. Mike Powell, 11:25,
Mel Chavez, 11:32, senior John Eisele, Dave Lab-
adie, Tom Peck, and freshman Kevin Stelmach,
made up the rest of the squad. With these hard-
working underclassmen, prospects for '65 Cross
Country are good.

Basketball '65

The 1965 edition of Saints Varsity Basketball team was small in number but not in size. Composed of 7 seniors and 3 juniors, the Saints compiled a 14-8 record. Besides being high point man on the team, Tom Dobransky was also named most valuable player. But Tom was not alone under the basket. Mike Crawford, Jim Peck and Frank Hermes let their presence be known by grabbing rebounds and putting in those corner jumpers. Out front were two very able guards, Jim Damman and John Estrada. Jimmy's 85 points in the last four games gives an example of the type of play which earned him both the Coaches award and a berth on the All Eastern League first team. Working with Damman was John Estrada. John, who was voted most inspirational player of the year, displayed this spirit as he led the team in clutch games. Behind these men were four others who were always willing and able to relieve one of our starters. These four, Bill Bittick, Ron Lazinsky, Gerry Shea, and Ed Milich, played instrumental parts in compiling the team's 14-8 record.

Saints' Basketball is always marked by brilliant individual effort. Throughout the season this year, the city's eyes were on one of the Saints' cagers. Through all the pre-league action, Tom Dobransky was outstanding and led the city in point average. Then John Estrada started clicking and ranked high in early League scoring. To finish off the season there was Jim Damian. Jim at 5'10" was one of the smallest starters in the county, and one of the smallest to make all Eastern League. But his quick moves made up for his deficiency in height as 30% of his points were layups. It is such individual effort as this, which makes for winning seasons amid bigger schools.

Tennis

The Tennis Team, coached by Father Robert Griswold, did as well as could be expected considering the number of new players. Standouts such as Carlos Carriedo and Terry McIver did an excellent job of representing the school at the Dudley and Ink Tournaments as well as always adding points in regular league play. Junior Sam Patella was also a consistently fine player, and also a great help to the team. Rounding out the tennis team are Mike Weber, Tony Izuel, Steve Sandborgh, Mike Brogan, Ron Morones, Mike Mross, and Ed Ross. With so many players coming back next year, and with Fr. Griswold's excellent coaching, the tennis team should do great things next year.

Tom Ecklund

The A track team in 1965 was small in numbers but large in spirit. The team produced many fine individuals and as a whole a winning but yet a loving body. Tom Ecklund toured the 880 in the fastest time in the city and county, 1:57. Tom Mahedy and later Fred Mix proved good in the shot put. John Lewis, another fine distance man, went through the season with few defeats. Bob Stewart and Mike Crawford teamed up in the hurdles and high jump. Sprinters included Mike Farley and Mike Mahoney. Pole vaulter-hurdler Mike Deery rounded out the squad.

The B squad was the strongest and deliberately so. It was led by sprinters Norm Caetano and Frank Garrido. Bernardo Jaime did a fine job in the pole vault. George Bustos, Mike Powell, Brian Storrer, and Roger Steers all helped to compile the B victories.

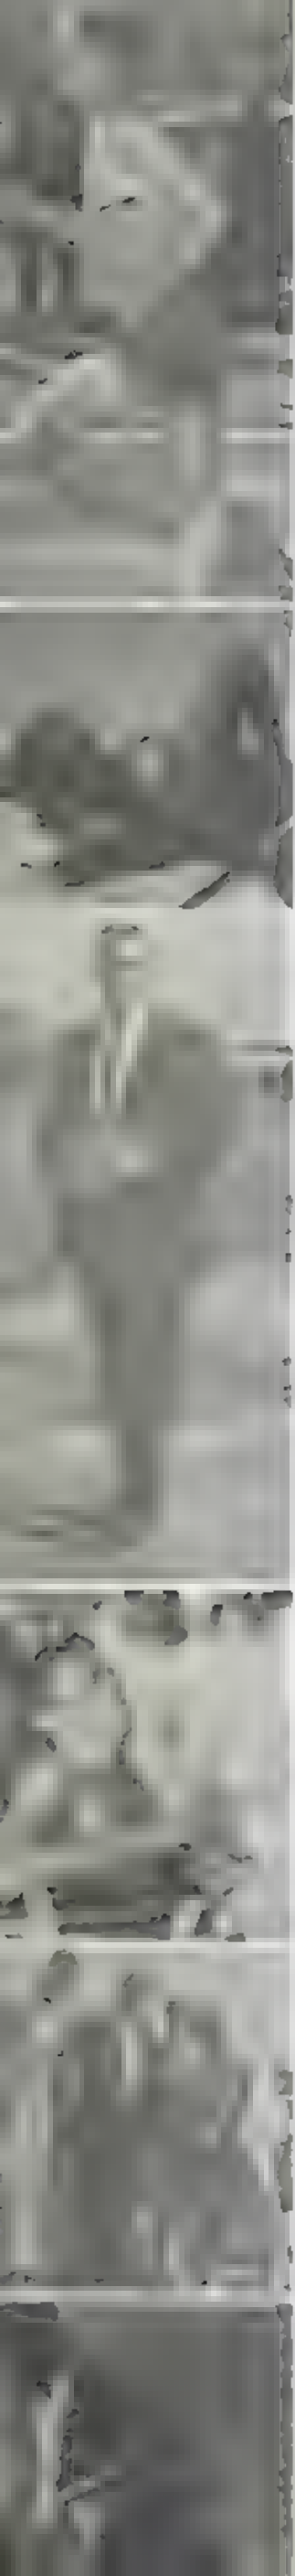

The C team was also small but it had many fine performers. Pete Doherty chalked up victories in the hurdles and the 100 yard dash while Dan Smith shot putted and ran the 1500. Another distance man was Kevin Stelmach, with Ron Stewart pole vaulting.

Golf

This year's golf team followed the tradition of the fine '62 and '63 Championship teams. The key to the team's success was depth. At every match one of five fine players would come out as medalist. Also the team had a fine second squad from which to fill in. The team shut out Lincoln and Morse, handled Hoover and San Diego, and lost a close one to Crawford. The second round showed no let up in play as the team rolled on to victory's way.

Baseball

The 1965 Varsity Baseball team can be summed up with fair defense and very weak offense. This accounted for a rather poor record, but indeed the season was not without its bright spot. The team started well in pre-League play, but then were devoured by the Eastern League giants. But the team rose to the occasion during the Easter Larks Club Tournament. Rebounding off an initial loss, the team came back to win three games and claim the Consolation Trophy Championship. Credit for this feat can be given to Coach Bill Whittaker whose fine defensive team was instrumental in the tournament. This is illustrated by the decisive 10 to 0 win in the final game. A fine pitching staff was ably aided by Christopher, Mendoza and Ortega. Potent bat power was found in Millich and Chevalier.

The J V baseball team, coached by Hal Mitrovich, was led by such standouts as Mike Valery, Steve Farrey, and John Wathan. Compiling one of the finest records of recent years, Saints was leading the league at the end of the first round with impressive victories over their opponents, such as Morse 6-0, Crawford 6-0, Lincoln 3-2, and San Diego 5-4. As the season progressed, fine pitching and clutch hitting proved to be the key to a most successful season for this fine group of athletes. Big things are expected of these individuals next year.

Intramurals

The 1964-65 Intramural season was the greatest ever. It started off with new standardized flags for football. The season was highly competitive, with sudden death playoffs to decide the Freshmen and Sophomore champs. The seniors, 45, barely edged 23, while the Juniors 32, outlasted 15. The difference between St. Augustine's and that public school so much closer to the average Saintsman, was greatly exemplified this year. Besides the usual student body attended Friday Mass, this year, Mass was offered every day at noon in the chapel. Students were given the opportunity for confession nine times a week. Fr. Green, this year's chaplain, was in his office throughout the school day this year, interviewing the Seniors, Freshmen and anyone seeking guidance. The new changes in the Mass were emphasized with the whole student body joining in for the prayers and hymns. There were two days of recollection during the year, before Christmas and Easter vacations. On these days, conferences, prayers and meditations reminded students of their role as a Catholic youth and as a Saintsman

Miscellaneous offerings for the Mission collection

Under the dedicated direction of Mr. Frabotta and the skillful leadership of Drum Major, Tim Shea, Saints marched lively into games, rallies, and parades. The band inspired spirit at football and basketball games and featured in informal concerts for the enjoyment of Saintsmen in Dougherty Gym.

Saints' band has made respectable appearances throughout the year in parades and reviews in Southern California. This year Saints was represented in the All-Western Band Review, the Maytime Band Review, the North Park Toyland Parade, the March of Dimes Parade, and the highlight of the year, the Annual Band Concert.

In appreciation for the talented work the band performs for the school, it was awarded new band uniforms. The new uniforms will be a needed addition to a deserving band. Now the members of Saints' band will be able to hold their heads even higher and march even prouder.

Dedicated effort, hard work, and a great deal of time was spent by the untiring members of this year's band. Handicapped by a lack of members, the band provided Saints with a boost in spirit and entertainment with traditional Saints quality. Our band should be placed high on the honor roll of activities at Saint Augustine High School.

This year's Associated Student Body Council followed a tradition of fine student government. Under the capable leadership of A.S.B. president Al Cutri, and the equally capable Executive Council the Council worked for the benefit of all students. The A.S.B. sponsored 12 dances this year with an attendance of over 5,000. Again this year the Council sponsored an Open House for prospective students. For the first time in the school's history,

every student received a Student Handbook which was put together by the Council. Another innovation was a very successful effort to acquaint students from the parochial schools with the advantages of attending "Saints." The school year was brought to a close with the annual A.S.B. convention. Organized by Commissioner of Elections Jim Harrigan and patterned after the national conventions, this year's event gave the students a chance to see their student government in action.

...Perseverence...

Pictured on these two pages are some of the men that made this annual possible by their hearty determination and diligent efforts. The Senior Personals, pictured on the facing page, was probably the most difficult of all the divisions of the Saintsman. Bill Turner, not pictured, began as Seniors editor but was unable to complete the assignment. This task fell to Joe Smith who with the assistance of Fred Keiser, Jim Harrigan, Bob Cooley and Rich Eagen did an outstanding job. The underclass section was handled by Bob Cooley and Tom Zvanovec. The touchy job of Faculty write-ups went to Dan Lawrence with the assistance of Fred Keiser and Bob Cooley and under the censorship of Fr. Green, our moderator. The Sports section of this year's Saintsman is outstanding due to the determination of one man, Fred Keiser. Fred bravely risked death by entering the darkroom to insure the quality of his section. George Bustos, Richard Blick and Rich Eagen also gave their time unselfishly to this section. Our photographers were Mike Deery, editor, Ensign Tom Franklin and Mike Chambers

Augustinian Editor Dave Alvarez

The Augustinian

The school newspaper, the Augustinian, serves as an outlet for those interested in journalism. Under the capable leadership of Editor-in-Chief David Alvarez several innovations were introduced including a new masthead on the front page and a "big ad" policy.

Much of the necessary work of creating a newspaper from nothing fell upon the shoulders of the department editors. Senior Jim Harrigan, news editor, handled the tough job of finding and presenting news to the students. Joe Smith and Dennis Kollar, features and sports editors respectively, ably fulfilled their assignment of providing both entertaining and informative stories for the paper. The business manager, Mike Cintas, had the thankless job of handling the advertising in the publications. The position of rewrite editor went to Jan Akre.

All departments were immeasurably aided by the diligent work of the staff writers: Fred Keiser, Rudy Kastelic, Mike Smith, Ken Christopher, Bob Cooley, Martin Garnett, Tom Utschig, Jim Peck and also the photography staff: Mike Deery, editor, Mike Chambers and Tom Franklin.

Homecoming

Homecoming, as it always will be, was a special day for Saintsinen. This day will remain in the memories of Saintsmen for years to come. Homecoming—1964 will be remembered for three specific happenings — First, our Queen; second, the speakers and thirdly the game. Our queen Julie Byron, was one of the most beautiful peers in many years. Her court consisted of Jan Mendivil, Regina Coeli, Joan Wolff, O. L. P. Judy Weeber, Cathedral; and Janet Mills, Convent of the Sacred Heart. The speakers included alumni Tom Myers and Paul Applegate plus the ever present skit by Jim Harrigan and Dave Doty. The final speaker, Fr. Keane, reminded us of our obligation to the school in the years to come. The game, which San Diego High won in the final minutes, was perhaps anticlimactic but even still a memory to complete a day worth remembering.

Activities, already completed which have brought various degrees of success, include the First Annual Car Smash, and joint meetings with girls clubs of other schools, with an eye for a lettermen-club-sponsored school dance later in the year. Under the guidance of Mr. Doherty and led by President Marcus Mitchell, Vice-President Tom Mahedy, Secretary Drew Tricoli, Treasurer Jim Young, and Sgt-at-Arms Ernie Garcia, this year's Club has provided great enthusiasm.

The club can boast the fine quality of its bowlers, as exemplified by many 200 games. Among these are Ed Chipp, Bill Voosen, John Purcell and Fathers Robert and William Griswold. Many of the members also bowl in other leagues. This group includes John Purcell who is a member of the San Diego Junior All-Stars and the Southern California Junior State Champions.

Trophies were presented to outstanding men on the team by the club's members. In addition, the Fathers' Club also sponsored the Easter Monday Ball to further supplement its impressive record of achievements.

Homecoming speaker
Frank Murillo

Under the direction of Fr. McLaughlin, the Alumni Association started the year with a kick-off dinner. The Football Prom booklet, headed by the Alumni Association, was the source of revenue for the new band uniforms. They also sponsored our Homecoming this year, which was highlighted by a dance from 10 to 12, as well as honoring the football team through the 11th annual Football Prom.

In December they gave the budding young parochial school basketball teams a chance to play on Saints' court through their annual basketball tournament.

Mother's Club Austin Guild

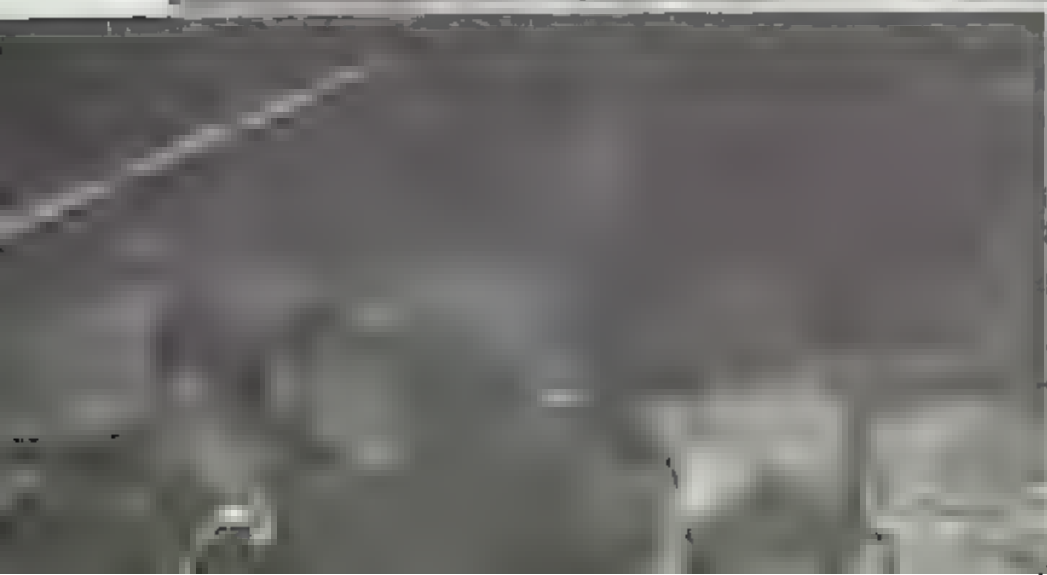

The Mothers' Club, otherwise known as the Austin Guild, is one of the main factors in the successful school year. During the first months the Mothers' Club sponsors a parent-faculty meeting. The group also presented its 42nd annual raffle which grossed \$11,000. In conjunction with this drive there was a fine fashion show at the El Cortez, a Band Concert, and a "Christmas Cheer" gift exchange.

In Closing...

This is a composite record of the 1964-65 school year. The preceding 151 pages show a year of joys and sorrows, accomplishments and defeats but they do not show the endless hours of work, frustration, hope and despair that went into forming these same pages. The yearbook truly involves a year of work. From the opening conferences with company representatives to the final signature on the last page, the "Saintsman" staff has labored to present an entertaining and informative album of school events. Editor-in-Chief, Jan Akre, directed the effort and headed a capable staff of Seniors: Bob Cooley, Underclasses; Dan Lawrence, Faculty; Fred Keiser and George Bustos, Sports; Jim Harrigan, Activities; Joe Smith and Bill Turner, Seniors; and Mike Derry and Tom Franklin, Photography. All readily gave their time and talents to produce this book and the preceding pages are their tribute
